

## May 2008 Update

Adult Therapeutic Foster Homes, a subclass of Behavioral Health Service Agencies are regulated by A.R.S. Title 36, Chapter 4 and Title 9, Chapter 20, Article 15 of the Arizona Administrative Code. The Department believes that amendments to these rules will clarify licensee requirements and will benefit both the homes and recipients of the services provided by the homes. To achieve the goal of improved Adult Therapeutic Foster Homes Rules, the Department has been meeting with members of the regulated community and other interested persons for their comments and feedback about the draft rules.

The final workgroup meeting will be Tuesday, May 20, 1-4 p.m.

The meeting will be held in Room 309 of the Health Services Building at 1740 West Adams in Phoenix.

A list of workgroup members and workgroup meeting minutes may be found under the Workgroup Information link on the Adult Therapeutic Foster Homes rulemaking page.
